

Results of our June, 2022 Food Drive

Brother Knights,

Hope you had a great 4th of July!

A virtual "high five" to you - last month, we delivered 4,444 pounds of food. For the fraternal year (July-June), our parishioners, youth, and us collected, sorted, and delivered 53,251 lbs. – great and fantastic job considering we take the month of December off (For statistics fanatics – we have delivered 29,462 pounds from Jan-Jun).

Once again, many thanks for making this program successful!
