

# THE ST. LUCY PROJECT

Feeding the Hungry, Nourishing the Soul

## St. Theresa Church June 2021 Monthly Food Drive Results

The parishioners, youth group, and Knights finished the KofC fraternal year strong – 3,674 pounds of food delivered to the Catholic Charities Loudoun Food Pantry in Sterling this past month!! During the KofC fraternal year (July-June), we collected, sorted, and delivered nearly 23 tons (45,944 lbs) of food which shows the enormous generosity of our parish.

Many thanks to everyone who helped sorting the items and loading cars at the school. The “supporting fires” we received from the youth group and stragglers are always greatly appreciated.

If you missed June (or the entire fraternal year), July starts the new fraternal year and another great opportunity to excel. The next food drive is July 17-18 (pick up bags), 24-25 (return bags and pre-sort items), 27(sort items), 28 (move bags).
